

- Type: Permanent, round, coloured pencils
- Lead: permanent, creamy lead, 3.8 diameter, maximum covering power, high pigment concentration for intense, bright colours
- Light resistance complies with the highest international standards for light resistance in coloured pencils: ASTM D6901

- Pencil: round, 8 ply, matt casing matches the colour of the lead, colour number and name indicated. The pencils wood casings are made of environmentally friendly California cedar.

This standard specification establishes quality requirements for composition, performance, and labeling of artists' colored pencils. This specification also covers vehicles and additives. With LFI being the highest & LFII being the second highest.

	Colour Number	Colour	Lightfastness
	001	White	LFI
	002	Silver Grey	LFI
	009	Black	LFI
	015	Olive Yellow	LFI
	025	Green Ochre	LFII
	030	Orange	LFI
	034	Yellow Ocher	LFI
	037	Brown Ocher	LFI
	046	Cassel Earth	LFI
	061	Permanent Red	LFI
	065	Russet	LFI
	069	Burnt Sienna	LFI
	070	Scarlet	LFII

	Colour Number	Colour	Lightfastness
	077	Burnt Ocher	LFI
	112	Manganese Violet	LFI
	120	Violet	LFII
	129	Violet Borwn	LFII
	159	Prussian Blue	LFI
	162	Phthalocyanine Blue	LFI
	171	Turquoise	LFII
	180	Malachite Green	LFI
	220	Grass Green	LFI
	225	Moss Green	LFI
	240	Lemon Yellow	LFI
	350	Purplish Red	LFII
	470	Spring Green	LFI
