

Loaded with the highest quality artists' pigments; PanPastel Colors are made using a unique manufacturing process requiring minimal binder and fillers, resulting in a rich, ultra soft and low dust formulation. The professional quality colours are highly pigmented, have excellent lightfastness and are fully erasable.

Uniquely, for pastel colour, they can be mixed together for a complete painting palette. PanPastel Colors are fully compatible with traditional pastel sticks, pastel surfaces, conventional fixatives and other artists' colours.
