

For elegant and natural lines: the first alcohol-based marker with a dynamic yet dimensionally stable brush tip.

- alcohol-based marker
- with a brush tip and wedge tip

- slim and ergonomically shaped
- good controllable ink flow for very precise drawing
- 107 colours + blender

The ABT PRO is an alcohol-based marker developed with professionals for professional use. You can express your creativity perfectly with a pen from which ink flows more slowly than other alcohol markers, allowing you to work in a very controlled and precise manner. This is very helpful for layering.
