WATERCOLOUR SETS

full range:

Primary Mixing Set of 3 (15ml):

Brush on bright primary colours that multitask as foundations for other hues. An important set for students and new watercolourists, the Primary Colour Set lets you customize basic colours. The set also collaborates with the Secondary Mixing Set to complete an entire colour wheel, multiplying possible shade combinations.

This set contains 3 x 15ml tubes of the following colours:

- Carmine.
- Hansa Yellow Medium.
- Ultramarine Blue.

Secondary Mixing Set of 3 (15ml):

A companion to the Primary 3-Colour Set, and a beautiful selection on its own, the Secondary Set is remarkably versatile. Added to primary colours, you'll mix shades with greater tone consistency. Jewel hues complement one another, and also function as the other half of the colour wheel.

This set contains 3 x 15ml tubes of the following colours:

- Quinacridone Burnt Orange.
- Undersea Green.
- Carbazole Violet.

Essentials Set - Set of 6 (5ml):

The pigments of this set were carefully selected to give you a wide range of colours and values. When mixed, the colours you can create are endless!

This set contains 6 x 5ml tubes of the following colours:

- Hansa Yellow Light.
- New Gamboge.
- Pyrrol Scarlet.
- Quinacridone Rose.
- French Ultramarine.
- Phthalo Blue (Green Shade).

DANIEL SMITH 

WATERCOLOUR SETS

full range:

George Politis' Master Artists Set I - Set of 6 (5ml):

"This set contains the main colours I use to depict the beauty of Greece. I love the granulation and clarity of Cerulean Blue for skies, the clarity and intensity of Indanthrone Blue, the beauty of Quin Gold for underpainting and light accents, the warmth and versatility of Mayan Orange, the granulation of Green Apatite and the most favorite Moonglow used for textures, shadows and mixtures" - George

This set contains 6 x tubes in the following colours:

- Quinacridone Gold.
- Indanthrone Blue.
- Cerulean Blue.
- Mayan Orange.
- Green Apatite Genuine.
- Moonglow.

George Politis' Master Artists Set 2 - Set of 6 (5ml):

"This set contains the main colours I use for my textures. I love the warmth and glow of Aussie Red Gold, the "wow factor" of Pyrrol Scarlet, the granulation and range of reddish to brownish nuances of Piemontite Genuine, the intensity of Lunar Blue, the magic and versatility of Cascade Green and the strength and granulation of Bloodstone" - George

This set contains 6 x tubes in the following colours:

- Aussie Red Gold.
- Lunar Blue.
- Piemontite Genuine.
- Bloodstone Genuine.
- Pyrrol Scarlet.
- Cascade Green.

Prafull Sawant's "Master Set" - Set of 6 (5ml):

"I love to capture the light and atmosphere of a scene in my painting using neutral tones and Ultramarine Blue. The 6 colours in this set are the perfect choice. Daniel Smith Watercolors give me strong pigments and transparency that blends smoothly on paper. The granulation capacities add a variety of dimensions, texture and depth to my paintings" - Prafull Sawant

- Undersea Green.

DANIEL SMITH 

WATERCOLOUR SETS

full range:

Angus McEwan's "Master Artist" Set - Set of 10 (5ml):

"DANIEL SMITH Watercolors are the perfect vehicle for me to produce work that employs high colour and fantastic greys. I trust these paints to provide a matt surface that allows beautiful velvety darks and sharp contrasting colours perfect for my brand of realism, time after time. Reliable and vivid these 10 colours are my go-to colours, the ones I couldn't go without" - Angus

Angus McEwan was born and educated in Scotland. An international award winning artist who uses strong colours, love of textures and a passion for travel and observing the world around him with penetrating realism. His work uses optical mixing which employs layer upon layer of contrasting colours to create vibrant but cutting edge watercolours.

This set contains 10 x tubes in the following colours:

- Van Dyck Brown.
- Burnt Umber.
- Prussian Blue.
- Cobalt Blue.

- Lavender.
- Cobalt Teal Blue.
- India Yellow.
- Organic Vermillion.
- Quinacridone Burnt Orange.

Thomas Schaller's "Master Artist" Set - Set of 10 (5ml):

"One of the joys of painting in watercolour is its immediacy and directness. And since there are so few materials required, each must be selected carefully to be certain that they best portray your unique artistic vision. That's why I choose DANIEL SMITH pigments. They are unsurpassed in quality, clarity and luminosity. And they are a perfect partner in my ongoing exploration of light, contrast, expression, and the narrative potential of watercolour"

- Thomas

First known for his work as an architect and architectural artist, Thomas W. Schaller is now a world-renowned, award-winning master watercolour artist. He is in demand internationally as a speaker, juror and instructor, and is the author of three books.

This set contains 10 x tubes in the following colours:
